

2010 HOMEOWNERS' ASSOCIATION TRAININGS

Mayor Jerry E. Abramson strongly encourages you to take advantage of the upcoming **Neighborhood Toolbox Trainings**. These trainings are a great way to learn and share best practices. The training listed below, will provide additional management resources in an effort help you maintain and/or improve your association.

Understanding the Economic Challenges Facing Developers & HOAs In Today's Economy

Over the last year, our office has received numerous calls in response to developers who are unable to complete development(s). This workshop will address legal questions/concerns homeowners' associations may have regarding unfinished development(s) and infrastructure as well as what to expect when a developer goes into foreclosure or bankruptcy.

Registration is \$5 per session
